OUR ARMY AT SHORT RANGE.

Do you know what the last ten years have done for our regular army? Have you any idea of the modern methods that have been evolved in it since the beginning of the Spanish War? Do you realize that while it is a small organization, taking our great population into account, it has no superior, man for man, gun for gun, equipment for equipment, in all the world? And above all, do you know what sort of men constitute this military force of

If you do not, you should not fail to see the model encampment at Toledo, July 4th to 10th, during which time nearly 5,000 regular army soldiers, especially chosen by the War Department, will give a series of truly remarkable performances, that will not only be more interesting and entertaining than any great outdoor show ever seen in America before, but will be full of interest for thinking men and women who want to know the type of men this country would depend upon, should war be necessary.

Life 100,000 Years Ago.

Scientists have found in a cave in Switzerland bones of men, who lived 100,000 years ago, when life was in constant danger from wild beasts. To-day the danger, as shown by A. W. Brown of Alexander, Me., is large ly from deadly disease. "If it had not been for Dr. King's New Discov ery, which cured me, I could not have lived," he writes, "suffering as I did from a severe lung trouble and stubborn cough. To cure Sore Lungs, Colds, obstinate Coughs, and Fourth's. prevent Pneumonia, its the best medicine on earth. 50c and \$1.00. Guaranteed by C. P. Champney. Trial bottle free.

WOMAN'S HOME COMPANION FOR JULY

Woman's Home Companion for July is a summer fiction number. There are eight stories in this issue by Cyrus Townsend Brady, Marie Van Vorst, Alice Brown, Mary Heaton Vorse and Albert White Vorse Annie Hamilton Donnell, Anne Warner, and Euphemia Holden, Most of these are love stories-of the kind the world and his wife like to read at this time of year.

Especially timely are the articles in this issue on "July in the Poultry Yard," by Kate V. Saint-Maur, "The Woman Camper," "A Charity Cafe Chantant" and "The Picnic-Basket."

Ideas for summer pillows, crocheting ideas and new summer recipes. all are opportune in this issue. An article on the making of long sleeves from short will be welcomed by many a woman.

In addition to all this, there are the regular departments: The Fashion Department, the Entertainment Page, Margaret Sangster's Home guest of her parents in Toledo, Mon-Page, Sam Loyd's Page of Puzzles, advice to the girl who earns her own living, many suggestions for fancywork and cookery, and several pages especially for the children.

Searching For A Wife.

Am mining man, 34 years old, never married, good health, character, and some accomplishments. Have accumulated over \$25,000 in Nevada mining and will settle down in beautiful California with the woman of my choice. Desire to know lady 18 to 30 years old, fair looking, possessing good common sense and who would appreciate good home. No objection to widow. All correspondence confidentially received. JOHN W. GRANT, Truckee California.

Ha-San Rheumatic Remedy

We want a letter from every man and woman in America afflicted with Kheumatism, Lumbago or Neuralgia, giving us their name and ad-dress, so we can send each one a trial treatment of our Rheumatic

Remedy. We want to convince every rheumatic sufferer at our expense that our Rheumatic Remedy does what thousands of so-called remedies

that our Rheumatic Remedy does what thousands of so-called remedies have failed to accomplish—actually cures rheumatism. You cannot coax Rheumatism out through the feet or skin with plasters or cunning metal contrivances. You cannot tease it out with liniments, electricity or magnetism. You cannot imagine it out with mental science. You must drive it out. It is in the blood and you must go after it and get it. This is just what Ha-San Rheumatic Remedy does and that is why it cures Rheumatism. Rheumatism is Uric Acid, and Uric Acid and Ha-San Rheumatic remedy cannot live together in the same blood. The Rheumatism has to go and it does go. Our treatment cures the sharp shooting pains, the dull, aching muscles, the hot, throbbing, swoolen limbs, and cramped, stiffened, useless joints, and cures them quickly.

A FULL TWO WEEKS TRIAL TREATMENT

A fair test is all we ask. If you find it is curing your Rheumatism or Neuralgia, order more to complete a cure and thus give us a profit. If it does not help you that ends it. We do not send * small sample containing only a few tablets and of no practical value, but a full two we-ks' treatment. You must send us 25 cents to pay postage, mailing and packing, and this full two weeks' treatment will be promptly sent you free, everything prepaid. There will be nothing to pay on receipt or later. Don't wait until your heart valves are injured by Rheumatic Poison, but send to-day and get a two weeks' treatment free. Only one free treatment to a family, and only to those who send the 25 cents for charges.

Chamberlain's Cough Remedy

Declaring it necessary to construct three (3) branch storm water sewers in Sub-Division No. 1 of East Broad-way Street Sewer Disrict No. 1, in the Village of Perrysburg, Ohio.

RESOLUTION NO. 288.

Be it Resolved by the Council of the Village of Perrysburg, State of Ohlo, three-fourths (%) of the whole number elected thereto concurring:

Section I. That it is necessary to construct a part hereinafter described of the storm water drainage provided for in the general plans for a system of sewerage and storm water drainage of the Village of Perrysburg, Ohlo, adopted by the Council on August 11th, 1904, as amended by Ordinance No. 275, duly passed by the Council on July 22d, 1908, creating and defining that portion of the territory of the Village of Perrysburg embraced in said general plans, known as Sub-Division No. 1 of East Boundary Street Sewer District No. 1, and which said territory included in said Sub-Division No. 1 is bounded as follows:

Third street from East Boundary

said Sub-Division No. 1 is bounded as follows:
Third street from East Boundary street to Louisiana avenue; Louisiana avenue from Third street to southwest corner of out-lot 93; from Louisiana avenue and said southwest corner of said out-lot 93 along and on the south line of out-lots, 93, 104, 107, 118, 121, 132, 135 and 146 to Hickory street; from Hickory street thence along and on the south line of out-lots 154, 167 and 189 to East Boundary street; East Boundary street from the southeast corner of said out-lots 180 to Third street, the place of beginning.

Sec. 2. That the portion of the work herein provided for, and which Council

Sec. 2. That the portion of the work herein provided for, and which Council hereby declares necessary and determines to construct, is three (3) branch storm water sewers in said Sub-Division No. 1, and each of said branch sewers having their outlets respectively, in the trunk sewer in the south side of Third street, and said branch storm water sewers respectively, shall be constructed in the streets described, respectively, as follows:

In Hickory street, from said trunk

as follows:

In Hickory street, from said trunk sewer in said Third street to the north line of Eighth street.

In Maple street, from said trunk sewer in said Third street to a point in said Maple street four hundred and eighty (480) feet south of the center of Seventh street.

er in said 'init' street to a point in said Maple street four hundred and eighty (480) feet south of the center of Seventh street.

In Elm street, from said trunk sewer in said Third street to a point in said Elm street four hundred and twenty (420) feet south of the center line of Seventh street.

Sec. 3. That said branch sewers respectively, shall be constructed of the shapes, materials and dimensions in their different parts respectively from their beginnings respectively, to their outlets respectively, as follows:

Said branch sewer in Hickory street shall be a cylindrical pipe sewer, the same to be constructed of vitrified sewer pipe, lifteen inches (15 in.), twelve inches (12 in.), inside dameter, together with the necessary manholes, catch basins; appurtenances, and so forth.

Said branch sewer on Maple street shall be a cylindrical pipe sewer, the same to be constructed of vitrified sewer pipe, lifteen inches (15 in.), twelve inches (12 in.), ten inches (10 in.), eight inches (8 in.), inside diameter, together with the necessary manholes, catch basins, appurtenances, and so forth.

Said branch sewer on Elm street shall be a cylindrical pipe sewer, the same to be constructed of vitrified sewer pipe, lifteen inches (15 in.), twelve inches (12 in.), ten inches (10 in.), eight inches (8 in.), inside diameter, together with the necessary manholes, catch basins, appurtenances, and so forth.

Said branch sewer on Elm street shall be a cylindrical pipe sewer, the same to be constructed of vitrified sewer pipe, fifteen inches (10 in.), eight inches (12 in.), inside diameter, together with the necessary manholes, catch basins, appurtenaces, and so forth.

Sec. 4. Said sewers respectively, shall be constructed in said streets respectively, and the plans for said sewers and all in accordance with the plans, specifications, estimates and profiles showing the proposed grades and elevations of said sewers respectively, after completion, with reference to the existing grades of said streets respectively, and the same a

respectively, hereinafter described, embraced in said Sub-Division No. 1, as follows:

The assessments so to be levied and assessed for the construction of said sewer in said Hickory street shall be levied and assessed upon all the in-lots and out-lots in the district bounded and described as follows: Third street from East Boundary street to the alley between Hickory street and Maple street; said alley between Hickory street and Maple street; the Maumee and Western Reserve Pike Road from Seventh street to Hickory street; Eighth street from Hickory street; excepting therefrom the following lots and lands: Inlots 725, 740, 749, 764 and the south half of out-lots 150, 171 and 176, respectively, not benefited.

The assessments so to be levied and assessed for the construction of said sewer in said Maple street shall be levied and assessed upon all the in-lots and out-lots in the district bounded and described as follows: Third street from said alley between Hickory street and Maple street from Third street to the south-line of out-lots 121, 132, 135 and 146; the Maumee and Western Reserve Pike Road from the south line of out-lot 161 to Seventh street; the alley between Hickory street and Maple street from Seventh street; the alley between Hickory street and Maple street from Seventh street; to Third street; excepting therefrom the following lots and lands: In-lots 581, 596, 605, 629, 629, 644, 653, 668, 677, 701, and 718, not benefited.

The assessments so to be levied and assessed for the construction of said sewer in said Elm street shall be levied and assessed upon all the in-lots and out-lots in the district bounded and described as follows: Third street; from Locust street to Louisiana avenue; Louisiana avenue from Third street; countries of out-lots 33, 104, 107, and 118; Locust street from the southeast corner of out-lot 33; the south line of out-lots 33, 104, 107, and 118; Locust street from the southea

provement, and that no other lots or lands will be specially benefited thereby.

The cost of said improvement so to be assessed shall include the cost of the assessment, the expense of the preliminary and other surveys, of printing and publishing notices, resolutions and ordinances required, and the serving of notices, the cost of construction, together with interest on bonds or notes issued in anticipation of the collection of deferred assessments, and all other necessary expenditures which under the law, may be so assessed. That the remainder of the entire cost of said improvements not specially assessed, including the cost of any real estate or interest therein, purchased or appropriated, and the cost of any appropriated, and the cost of any appropriated, and the cost of any adjoining lands, and interest thereon, and the cost and expense of any such award, shall be paid by the issuance of bonds or notes of the Village of Perrysburg. Ohio, in the manner provided by law.

Sec. 6. That the assessments so to be levied upon said property shall be paid by the owners thereof in five (5) annual installments, with interest on deferred payments at the same rate as that of the bonds or notes which shall be issued in anticipation of the collection therof; provided, that the owner of any property may, at his option, pay such assessments in cash within thirty (30) days

after the first publication of the assessing ordinance, in which case said cash assessment shall not include any item of interest upon bonds or notes issued in anticipation of the collection of the deferred installments.

Sec. 7. That bonds or notes of the Village of Perrysburg, Ohlo, shall be issued in anticipation of the collection of said assessment by installments and in an amount equal thereto.

Sec. 8. That the contractor or contractors who shall do the work herein provided for shall be paid in cash within 30 days after the completion of the improvement and the acceptance thereof by the Council,

Sec. 9. That a notice of the passage of this resolution shall be served by the Clerk of the Council, or an assistant, upon the owner of each lot or lands to be assessed, in the manner provided by law, or if it appear by the return in any case of the notice that such owner or owners be not residents of Wood County, or cannot be found, then a notice of the passage of this resolution shall be published according to law, and that each owner or any lots or lands bounding or abutting upon said improvements claiming to sustain damages by reason thereof, shall file their claims in writing, with the Clerk of Council, according to law.

Sec. 10. That the resolution shall be published once a week for two (2) consecutive weeks, according to law.

Adopted July 6, 1909.

DANIEL KLINGLER, Mayor.

Attest: PHILIP WETZEL, Clerk of Council.
